

AWARD_FIELD_OF_APPLICATIONS

This table contains neither actual award data nor field of applications. It is a relationship table between **AWARD** and **FIELD_OF_APPLICATION**. Each record in this table describes a "Award has a Field of Application" relationship.

This table contains the following fields:

- *FOAS_AWARD_FK*: The foreign key into the **AWARD** table.
- *FOAS_FIELD_OF_APPLICATION_FK*: The foreign key into the **FIELD_OF_APPLICATION** table.

See [AWARD](#) and [FIELD_OF_APPLICATION](#) for further reference.
