

PROGRAM_NAME_AND_ELEMENT_CODES

This table does not contain "program" information. It is a relationship table between **PROGRAM** and **AWARD**. Each record in this table describes a "Program belongs to an Award" relationship. The "Program" information is captured from "Program Element Code(s)" field in the NSF Data.

This table contains the following fields:

- *PNEC_PROGRAM_FK*: The foreign key into the **PROGRAM** table.
- *PNEC_AWARD_FK*: The foreign key into the **AWARD** table.

See [AWARD](#) and [PROGRAM](#) for further reference.
